[1](#)1. (SBU) POLOFF delivered REFTELS on May 23 to MFA Disarmament Affairs Deputy Director General Ignacio Sanchez. Sanchez reviewed the points and said that any GOS agreement to share Iran denial information would have to be coordinated with other Spanish Ministries. Sanchez undertook to pass the points around and reply with a coordinated response. In terms of GOS attendance at a NSG open-ended meeting in Vienna the week of June 4, Sanchez said that he would ask one of Spain's other Ministries to attend, as the MFA's limited nonproliferation staff will be tied up with events in Madrid, the Australia Group plenary in Paris and a working group in Brussels. Post will report any additional information received from the Spanish MFA.
